

2008 Lake Norman Corporate Challenge!

The Corporate Challenge is sure to bring out the competitive edge in any group. This fun filled day will be full of exciting challenges and team building as groups compete for prizes and raise money to benefit those with special needs in our area! Get your team pumped up and roll out the team spirit - the group with the most wins a prize!

Therapeutic Recreation

The Cornelius, Davidson and Huntersville Parks and Recreation Departments have been working together since 2005 to offer programs for local youth with special needs and are excited to offer these recreational opportunities to participants of all abilities. Since the programs began, we have more than doubled our offerings and continue to see an increase in participation level.

Some of the adaptive services that we provide are:

- Music & Pet Therapy
- Athletic Programs
- Dances & Movie Nights

Your participation in the Lake Norman Corporate Challenge will assist us in raising the funds necessary to expand our offerings and add programs for older age groups.

For more information on therapeutic or any other recreational programs, please visit the town websites at
